

411 Connection 3: 10 Ways SLI can develop the leader in you.

November 2010

1. SLI is a free resource for all DePaul undergraduate students.
2. Students can engage in leadership development workshops to enhance their leadership abilities.
3. Certificate of Leadership Development is noted on your official university transcripts.
4. Builds your resume and sets you apart from your peers when looking for internships, summer jobs, and full time positions.
5. Develops leadership skills and allows for networking with other students.
6. Creates a strong foundation of DePaul's mission of socially responsible leadership.
7. Provides opportunities to connect with faculty and student affairs educators.
8. Great tool to learn to market yourself and your leadership experiences.

9. Provides ample opportunities to become actively involved on campus.

10. Allows students to develop personally and professionally, and to reflect on their leadership involvement thus far.

If you are interested in learning more about resources and services related to leadership development, please visit the Student Leadership Institute in the Student Center, Suite 302 or studentaffairs.depaul.edu/sli.
